

REMARKS

In the September 22, 2005 Office Action, claims 1-30 are rejected under obviousness-type double patenting as being unpatentable over claims 1-9 of U.S. Patent No. 6,748,297.

By the present invention, a terminal disclaimer is submitted herewith as Appendix A. Applicants submit that the terminal disclaimer overcomes the double patenting rejection, thereby placing the application in condition for allowance. In addition, the specification is amended to change "KR10-2002-0066742" to "U.S. Patent No. 6,748,297."

Accordingly, prompt and favorable treatment is respectfully solicited.

Please charge any shortage of fees or credit any overpayment thereof to BLANK ROME, LLP, Deposit Account No. 23-2185 (116511-00115). In the event that a petition for an extension of time is required to be submitted herewith and in the event that a separate petition does not accompany this report, Applicant hereby petitions under 37 C.F.R. §1.136(a) for an extension of time for as many months as are required to render this submission timely. Any fee due is authorized above.

Respectfully submitted,

Michael C. Greenbaum
